Muskegon County Youth Fair
Camping Rules and Regulations

1. Campsite assignments will be designated by the Campground Committee and registered campers will receive their lot location upon arrival. All camper units must stay within their designated lot; no exceptions. Failure to comply will result in removal from the campground.
2. Registered campers will receive their camping permit and parking permit when arriving for setup. **Camping permit must be displayed in camper window.** All unauthorized campers will be removed.
3. **One parking permit will be given per campsite – permit must be displayed in vehicle window;** all other vehicles must be parked in the outside parking lot. Cars and trucks found without permits in car windows on the campground will be towed at the owner's expense.
4. Driveways must be kept open at all times for fire lanes. No parking in designated fire lanes.
5. There must be a parent/guardian at each campsite-**EVERY NIGHT**. It will be their responsibility to insure that all rules are adhered to. 4-H'ers and youth are not allowed to camp without a parent/guardian camping with them.
6. **CAMPGROUND CURFEW IS 12 A.M. MIDNIGHT.** For your safety all campers and exhibitors will observe a 12:00 midnight curfew unless the nightly entertainment exceeds that time. This means that exhibitors and their families are asked to stay in their camping area after that hour. If found elsewhere, individuals will be asked to leave the fairgrounds. By signing the camping registration form you agree to comply with this rule.
7. No water fights.
8. No campfires.
9. No alcoholic beverages.
10. No drugs.
11. Do not park in anyone else's campsite.
12. Campsites are to be kept clean. Campers must take their own garbage to the dumpsters.
13. Dogs must be leashed at all times. Dogs camping for the week must have their proof of immunizations available upon request. Any aggressive or loud dogs will be asked to leave. You are responsible for cleaning up after your pet. Violation of this rule will result in removal from the Fairgrounds/Campgrounds.
14. No generators allowed.
15. **NO AIR CONDITIONERS.**
16. No off road vehicles without Fair Board permission (i.e. golf carts, gators, etc.)
17. No loud music/noise.
